

"Lyrics" from *The Droopy Dragon*
by Jean Greenlow

Droopy Likes Your Face

I did not write this.

Music by C418

♩ = 95
The open hi-hat sound isn't right. Also, the kick is too quiet.

Yoo-hoo Hi Boing Yoo - hoo Hi Yoo-hoo Hi Boing Yoo - hoo Hi Yoo-hoo Hi Boing Yoo - hoo Hi Yoo-hoo Hi Boing Yoo - hoo Hi

Pronounce "yay" with two syllables because unless I do it that way it doesn't line up correctly

Y-ay Y-ay Y-ay Y-ay Y-ay Y-ay Y-ay Y-ay

Droo-py is e - nor-mous

21

Drums

It's entirely possible that this is inaccurate (it's hard to tell because of how quiet it is).

The samples I have don't sound quite right and I'm not going to fix it.

Droop y looks in a cave. No one is there. Droopy looks un-der a tree. Droo-py is e-nor-mous
