Nobody else seems to write in the E^b but I'm pretty sure hear it (maybe it's just an overtone?)

The sound is not particularly accurate, but the notes hopefully are.

This musical score is for 24 instruments, organized into three main groups. The first group, at the top, includes D. Kit 1, D. Kit 2, and Clv. The second group, in the middle, includes Org. 1, Org. 2, Square Lead, Saw Lead, Rain Synth, Effect Synth, Pad Synth, Soft Synth, Blip Synth 1, Blip Synth 2, and String Synth. The third group, at the bottom, includes Base Synth 1, Base Synth 2, and seven Electric Guitars (El. Guit. 1-7), followed by a Bass Guitar (B. Guit.). The score consists of 8 measures. D. Kit 1 plays a complex, fast-paced pattern throughout. Org. 1 plays a melodic line with various intervals and rests. The Electric Guitars play a variety of textures, including chords, single notes, and arpeggiated patterns. The other instruments are mostly silent, indicated by whole rests.

Maybe this should be in alternating 4/4 and 3/4, but that's not how I did it, and changing time signatures after putting notes in is annoying.

There's no easy way to manually control a wah effect... but this would sound much better if I could.

I gave up on transcribing Celeste 6B because of a part that was basically identical to this, but it's a million times easier with the stems

The musical score is written for 20 instruments across 6 measures. The instruments are arranged in a vertical stack. The percussion section (D. Kit 1, D. Kit 2, Clv.) is at the top. The organ section (Org. 1, Org. 2) follows. The square and saw leads are next. The rain and effect synths are then. The pad and soft synths are next. The blip synths are then. The string synth is next. The bass synths are then. The electric guitars (El. Guit. 1-7) and the bass guitar (B. Guit.) are at the bottom. The score is written in a key signature of three flats (B-flat, E-flat, A-flat) and a common time signature (C). The first measure is marked with a '31' and a '3' below it. The second measure is marked with a '3' below it. The third measure is marked with a '3' below it. The fourth measure is marked with a '3' below it. The fifth measure is marked with a '3' below it. The sixth measure is marked with a '3' below it.

This organ part was one of the hardest parts to transcribe.

Timing slightly randomized

Random nonsense that I don't feel like even attempting.
Also random panning.

Took me way too long to figure out how the math worked here. It's just three times as long as it was before (but obviously septuplets)

Detailed description: This musical score page, numbered 61, contains 23 staves. The top three staves are for percussion: D. Kit 1, D. Kit 2, and Clv. The next two are for organs: Org. 1 and Org. 2. This is followed by Square Lead, Saw Lead, Rain Synth, Effect Synth, Pad Synth, and Soft Synth. Then come Blip Synth 1 and Blip Synth 2. The String Synth is represented by a grand staff. Below that are Bass Synth 1 and Bass Synth 2. The guitar section consists of seven staves: El. Guit. 1 through El. Guit. 7, and a final staff for B. Guit. at the bottom. El. Guit. 4 includes a section labeled '(End random nonsense)'. The score is written in a key with two flats and a 4/4 time signature. Various musical notations are used, including eighth notes, sixteenth notes, triplets, and rests.
